

Steven Lamm, MD, known to millions as the doctor on ABC-TV's *The View*, is a practicing internist and faculty member at New York University School of Medicine, a member of the New York Heart Association Advisory Panel and an honorary New York City Police and Fire surgeon. He was selected by the Castle Connolly Guide as one of the best doctors in New York.

Dr. Lamm is a nationally recognized expert on medical ailments, including infectious diseases. His enthusiasm and informal style are widely recognized, and he is a regular guest on network television programs, where he offers his analyses and comments on a variety of health- and medical-related topics. He also lectures extensively to physicians.

He has co-authored several books.

Dr. Lamm lives in New York City with his wife and five children.
